# Critter Camp

A BIG thanks to our sponsor:

It's that time of the year again! Register your favorite critter-loving 6-11 year old for one (or five) of our week-long summer camp sessions to learn all about their favorite furry (or not so furry) animal

## WEEK 1 "Zoo-per Heroes"

June 10th-14th

Camper will discover the natural superpowers that many animals possess during this week. We'll be discussing the extreme climbing ability of an Alpine Ibex, all the way to the incredible jumping power of a flea!

## WEEK 2 "Polar Exploration"

June 24th-28th

Puffins and narwhals and polar bears... oh my! We're bringing the snowy weather to you this summer! We'll be exploring arctic animals of the land, sea, and air during our 5 days together.

## WEEK 3 "Furry Friends of the Frontier"

July 8th-12th

Have you ever heard of a pika? You might find one in your backyard! During this week, we'll be learning all about our great "equality" state, the surrounding region, and all the animals within!

## WEEK 4 "Animals through the Ages"

July 29th-August 2nd

From prehistoric dinosaurs, to the animals of the future, and everything in between; we'll be exploring animals of all shapes and sizes from different time periods and locations.

## WEEK 5 "Animal Careers... Unleashed"

August 5th-9th

Veterinarian? Pet groomer? Animal photographer? If these careers sound like fun, this week was made for you! We will explore different animal-related careers, talk with these career professionals, and may even get to try their hand at it themselves!

Your camper can attend one, some, or all of these weeks.

We have space for 20 campers to join us each week.
